BRIDE TESTIMONIAL

In the months leading up to my bridal shower and wedding I had a several appointments in which Nikki planned out my skin care so I would be at my bride best. We had a destination wedding and did not have a make-up artist for the day of my wedding; Nikki spent quality time teaching my Mom techniques to enhance my skin care regiment in the days before my wedding and to ensure my make-up would be picture perfect on my special day. I owe my amazing wedding photographs to the wonderful staff and products at Facial Aesthetic Concepts.
